

CHECK READER MESSAGES

"MANAGER NEEDED". RE-PRESENTED CHECK: This means that the check has already been seen by the system or has been processed. Merchant needs to Override the transaction for a receipt to print.

MANAGER NEEDED -DAY/LOC/AMT. This message alerts the merchant that the check amount has exceeded the normal ACH limits of guarantee. Press, "ENTER". Terminal will prompt for OVERRIDE. Press "Clear" to return to main screen.

NO ACH: This message indicates that Financial Institution does not participate in the Federal Reserve/ACH network OR the reader was unable to read the check number. The check has been verified by the system IF you receive an authorization number. However, the Merchant **MUST** deposit the check in their bank.

ERROR IN MICR: This message informs the merchant that the terminal cannot read the check numbers by the magnetic ink provided. The check cannot be verified. If merchant must try to void check. If check cannot be voided then merchant **MUST** manually deposit the check. If this consistently happens with several checks by different banks, please contact technical support.

ID FLAGGED: This message alerts the Merchant that the DL License presented is associated with a checking account that has a problem. **OVERRIDE** only for your most frequent customers. **These checks are not guaranteed.**

DECLINED CHECK: The message is to inform the Merchant that the check is declined due to problem with the customer's I.D. or account. **THIS CANNOT BE APPROVED OR OVERRIDDEN.**

ERROR IN ID: Check default state to ensure the correct state code was entered. Check to see if DL# has a letter and enter the corresponding letter with the DL#.

TERMINAL QUICK TIPS

Revision #4 7-26-02

Change the state code if you are accepting an Out-of-State Driver's License (See the front of this card for a list of State Codes).

"Close" (Batch Out) your terminal every day in order to make your Deposits (See instructions on the front side of this card). This step transfers your money to the bank within 48-72 hours from the time of the Batch Out.

Keep your copies of the customer's signed authorization as well as the Daily Batch Out/Deposit slip.

Be sure to stamp the check *ACH Processed*, and hand back along with their copy of the transaction receipts.

A dedicated phone line for you terminal will insure optimum performance. Shared lines could create problems.

Remember: The customer must print their name and a valid phone number on the signed receipt (merchant copy).

Terminal must be batched out every night prior to midnight.

Merchant Copy - Original Signed Copy

Customer Copy - Unsigned Copy

REMEMBER: The signor of the check must be the owner of the checking account. **VERIFY** the ID. Do not except a check until the ID has been verified.

In order to **GUARANTEE** a check, the following steps are required:

- 1). The receipt must be signed by the check writer and
- 2). A printed name and current phone number must be written on the receipt.
- 3). Driver's License must be verified and the DL# number must be written on the front of the check and then entered into the terminal. Merchant is responsible for accuracy of DL#.
- 4). Upon notification of a return check, merchant must provide Global eTelecom, a faxed copy of the customer signed receipt.
- 5). Terminal must be batched out the same day the checks are received.
- 6). Merchant must follow the guidelines on the front of this card.

We DO NOT guarantee Stop Payment Checks (*unless a Stop Payment Addendum has been signed)

Stamp all checks ACH processed and hand back to the customer. Make sure to have appropriate information for your records in the event a check is returned for any reason.

For Terminal Problems Call 1-877-438-3249
For Account Concerns Call 1-888-481-0757

◆ Please consult your copy of the application/contract for a full description of the terms & conditions governing your Global eTelecom, Inc. service.
